

Honorable Chapman,

April, 5 2017

All facts listed show that indeed Ms. Kornish has and does maintain excellent records and provides information in a timely manner.

Albert Togut(The "Trustee") wrongly accused me of not cooperating with him and giving over the information on the dip account for Hello Newman. But in fact the fax that Ms Kornish sent to Mr. Berger the attorney was in fact on time and exactly what he requested.

Mr. Togut has lied to the court.

The following items are false.

#2 False

#3 The "Trustee" has no basis to "believe" anything about Ms. Kornish since he only met her once. He has no prior knowledge to comment in a negative way about Ms. Kornish. He has no standing.
